

Dear FDA

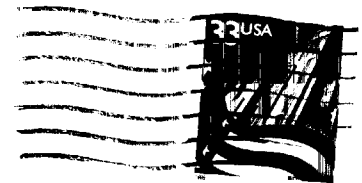

6999 '99 MAR 31 A9:39
Forced mating of hens used in egg
production is cruel to the
birds and increases the spread of
Salmonella enteritidis infections.
Please grant the petition filed
under docket H98P-0203/CP
that would eliminate this
practice. I know so many
people who feel as I do and who
are following this -

Thank you so much,

sincerely,  C655
Megan Tenney
"for the birds"
